PAYMENT: Please note that because we are a small, family firm, each order will be dealt with on a personal level with attention to detail. We are not equipped to deal with credit or debit cards, and payment in the United Kingdom should be made by cheque. We will not send out an order without ensuring that it is exactly what you need for the job. We are happy to deal with any enquiries either by phone or by email: all enquiries will be dealt with promptly.

POSTAGE & PACKING: Please note that postage rates sometimes go up unexpectedly, so it's always best to check with us for current costs before sending your order.

If the value of your order exceeds £36 please add £1.00 to cover postal insurance, and if the value is over £100 but less than £250 please add £2.25. For orders up to £500 please add £3.50.

The postage prices shown are a rough guide only. (dated April 2008) If you're not sure, please phone or email first.
