READY WOVEN RATTAN CANE WEBBING		
	First quality rattan cane webbing. We normally keep at least 18" (450mm) and 24" (600mm) widths of open weave in stock, and 24" in closed weave. This material is ideal not only for replacing seats on 'Cesca and similar chairs (see below for kits) but also for a variety of DIY projects such as covering bedheads, cupboard doors, radiator panels, screens and canoe seats.	
	<b>Open weave</b> Per linear foot (300mm) 18" (450mm) <b>£4.75</b> 24" (600mm) <b>£5.99</b>	<b>N.B.</b> Sadly, ready-woven webbing is not suitable for chairs that were originally hand-caned. If there are little holes all the way round the edge of the seat you'll need to use loose cane and weave it from scratch. It has been tried, and it really doesn't work! Hand-caning isn't difficult, though: read our book on the subject and buy a kit. Easy-peasy!
	<b>Closed weave</b> Per linear foot (300mm) 24" (600mm) <b>£5.50</b>	Closed weave rattan webbing is useful for all sorts of decorative projects. It can be cut with scissors, and like the open weave material, is better soaked before use.
<b>FEET FOR 'CESCA CHAIRS</b> black polyethylene per set of 4 <b>£5.00</b>		
KITS		
<b>'CESCA CHAIR KIT:</b> All the materials you'll need to reseat a typical 'Cesca/Bauhaus type seat. 450mm square open weave webbing; strip of 4mm beading cane; full colour instruction leaflet.		<b>£11.00</b>
<b>CANING KIT:</b> These popular kits contain enough materials to reseat an average sized cain seated chair. N.B. Special sized kits can be made up to your requirements. Please ask! Also note that if you're doing several chairs it's cheaper to buy cane by the roll - we'll advise you on what you need.		<b>CONTENTS</b> 2 sizes chair cane 1 strip beading 1 strip pegging
SIZES OF CANE DEPEND ON SPACING OF HOLES AROUND THE EDGE OF THE SEAT. IF SPACING IS LESS THAN ABOUT 1/2" YOU'LL NEED NO.2 & NO.3 CANE (KIT SIZE 1) AND IF IT'S MORE THAN 1/2" YOU'LL NEED NO.3 & NO.4 (KIT SIZE 2).		
<b>Caning kit size 1 or 2</b>		<b>£24.50</b>
<b>Caning kit size 1 or 2 with instruction book (normally £8)</b>		<b>£29.99</b>
